LAST NEWSLETTER; USE CLUBSTER FOR CLUB INFO

This is, not only the last newsletter of the season, it is the last one ever! Your source of information for Twin Lakes is the Clubster app. If you have not downloaded or not familiarized yourself with it, please ask Christian or Jane in the office or Jimmy or Bradley in the golf shop for help. We will be happy to give you a quick lesson. With Clubster, you get information on events and announcements in real time. You are able to view the membership directory, menus, and other things through Club Resources on the Clubster app.

Please look over your statement every month to ensure all charges are correct. It is difficult to go back and make changes after several months have gone by. You can always go online to check your statement. Let us know if you need to know how to do this.

Don't forget about the annual Thanksgiving dinner at Twin Lakes on November 22, and the children's Santa party is December 7.

YEAR BOOK

Need a member's phone number, address? Look in the Clubster app under Club Resources and in the Documents group.

Clubster is where you can get all your Twin Lakes information...upcoming events, membership directories, menus, and great ease of signing up for tournament and events.

WORK ON COURSE IS ONGOING

I hope this newsletter reaches you in good health and spirits! Happy fall, it's hard to believe that October is here, however there is plenty of golf left.

September was a busy month for golf, course aerification and projects. The weather was not the best for our aerification of tees and greens, however they are healing well. We have seeded some tees, greens and fairways that had some turf damage, along with this and the aerification turf conditions should be superb come spring. I appreciate everyone's patience with the aerification, it's difficult to tear up great turf, however the aerification will continue to improve the turf quality for you to enjoy!

Hurricane Helene left lots of precipitation and wind damage. Our maintenance staff has done an amazing job cleaning up the damage. I am very proud of our staff and the hard work they have put in all year to bring excellent playing conditions. The course is in superb condition currently. Please remember when its cart path only, its not a suggestion! Tire tracks on wet turf cause major damage and require lots of repair.

Please sign up for the Scary Mary event on Saturday, October 19th. This is always a great event and lots of fun for everyone! Our Thanksgiving dinner will be on Friday, November 22nd, keep an eye out for an email with the menu and to RSVP.

As we begin to transition into the fall, please remember this is some of the best golf weather to enjoy. Some of the best fall scenic views can be seen right here at Twin Lakes. I greatly appreciate your continued support of your club, and I look forward to seeing you out enjoying your club!

Christian Brown. CCM

President

NOTICE

Thurs., Oct. 17—Pepper Construction Golf Outing
Noon—Shotgun

STILL A FEW PROJECTS TO DO ON THE COURSE

This fall the grounds crew will have extra time to complete a few projects due to the fact that all aerification is finished. On the docket is:

- Seeding weak areas in the fairways, collars, greens, and tees
- Spraying weeds in both rough and fairways
- Seeding the Par 3 tees
- Moving the plug piles to areas along the cart paths where needed
- Enlarging some of the small ladies tees
- Fixing any irrigation leaks we have on the course

By outsourcing the aerification, we will have some 30 days to work on these items before the leaves really start to fall.

Your superintendent,

Mike Seaton

Aerification days!! The grounds crew were quite happy this year to have the help with aerification. The members are happy as well since it is completed and cleaned up and that much better for next year's golf season!

All The Golf News You Can Get At Twin Lakes Can Be Read Right Here!

Ladies Member-Member

On Saturday, September 7, Twin Lakes hosted the annual Ladies Member-Member, one of the most popular team events of the year! The Member-Member is a net event with a unique format. On the first 6 holes, players play their own ball and take the team better ball score. The second 6 holes is an alternate shot format. The final 6 holes are played as a two-person scramble. In this year's Ladies Member-Member we had a great field of 16 teams, one of the biggest Ladies events we've had in recent years! The team of Georgene MacLennan and Val Long finished the day atop the leaderboard shooting a nine-under-par 63! Their 63 was good enough for a one-stroke victory over the team of Diana Cremeans and Cynny Stiehl, who shot 64. Thank you to all the ladies who played in the Member-Member! This concludes our Ladies Saturday events, and we had great turnout in each of these events, and we're looking forward to seeing that trend continue with our Ladies Saturday events in 2025!

Men's Quota and Steeplechase

On Saturday, September 14, Twin Lakes hosted the Men's Quota and Steeplechase. This event is two events on the same day. In the morning, we had 50 players tee it up in the Quota, a net-stableford style events where your score on a hole equates to a point total. This means that this is one of the only times where the high score wins! Keith Richey led the way in the morning totalling 52 points which beat out Ron Johns by a single point! A close competition that came down to the wire! We then took the low 20 gross scores from the morning 18 and seeded and paired players for the Steeplechase, an alternate shot shootout. After exciting golf, putts that got fist pumped, and chip-offs that were won by inches, two teams stood on the ninth tee, Mark Resler & Tim Short and Tony Sprehe & Landon Toll. After both teams tied number 9, we had a closest to the pin competition to determine the winner. From 150 yards on number nine, Tony Sprehe knocked it to within 10 feet to secure the victory for the team of Sprehe and Toll. Thank you to all who played and thank you to those that stuck around and watched!

Men's Guest Day 3

On Wednesday, September 18, Twin Lakes hosted our third and final Men's Guest Day of the season. This event allows members to bring 1-3 guests and play a best ball competition with each guest. So, if a member brings 3 guests, they are on 3 separate two-person teams. There are both gross and net competitions for this event. On the gross side of the event, the teams of Banning/Pugh and Bachman/Roski tied for the lead with four-under-par 68s. On the net side, Zeckel/Williams fired a 57, good enough to beat Bogdon/Smith by a single stroke. Great playing gentlemen and we hope your guests enjoyed their time at Twin Lakes!

Twin Lakes Derby

On October 5 and 6, 44 participants played in our 2024 Derby 4-man Scramble Event.

The team of Andy Banning, Scott Dearing, Derek Pearson and Damian Montgomery ran away with this year's event. They carded an incredible two-day total of 116 (-28). This was good enough for a 5-shot victory over the rest of the field.

The team of Ben Resler, Jim Dahl, Mike Furrow, and Joe Rhodes came in a distant second with the score of 121 (-23).

Call the Golf Shop Friday afternoon for your tee times.

RANGE HOURS
Mon-Closed
Tues-Fri-8am-7pm
Sat & Sun-7am-7pm

DRESS CODE

From April 13 through October 1, Twin Lakes Golf Club dress code is in effect. On the course, including the clubhouse, golf attire of the type sold in the golf shops of private clubs in the Indianapolis area is appropriate. Collared shirts or turtle neck sweaters at all times. Blue jeans, tube tops and halter tops are not permitted.

PRO SHOP HOURS (After April 13)

Mon-12pm-dark

Tues-Fri-8am-dark

Sat & Sun-7am-dark

PACE OF PLAY & ETIQUETTE REMINDERS

Pace of Play:

Our expected pace of play here at Twin Lakes is 3 hours and 45 minutes to 4 hours for an 18-hole round of golf. We are aware that some groups are used to and are able to play in less time, but that cannot be the expectation, especially when we are busy. **There should be no non-tournament rounds taking over 4 hours.** For tournaments, we have been putting expected pace of play on score-cards to help groups keep track and remain accountable during tournament play.

Golf Cart Etiquette:

When taking a golf cart, we need to make sure of a few things. There should be no golf carts on and around tee boxes. When teeing off, please keep your cart on the cart path until you have driven past all tee boxes. Additionally, carts should return to the cart path when within 20 yards of any edge of any green. There should never be a question as to whether or not a cart is on a green and keeping them on the cart path helps us avoid those pesky bare spots. Finally, all Twin Lakes golf carts should remain on golf course property. Please do not take your cart in neighboring yards or on roads adjacent to the golf course.

Golf Course Etiquette:

Here at Twin Lakes, we pride ourselves on being an open and welcoming community to golfers of any age or background. We are also proud to see many families and junior golfers playing. In order to keep this welcoming environment, please refrain from shouting inappropriate language on the golf course. Believe me, I know golf can be frustrating, but please keep the volume down for the sake of other golfers and residents of the neighborhood around the golf course.

Caring for the Course:

Golf Course Superintendent Mike Seaton and his staff continue to do a wonderful job at keeping our course beautiful. Please do your part as a golfer to help out. Please fix ball marks on the greens and replace or fill divots with sand. This little bit goes a long way and ensures Twin Lakes' course conditions stay wonderful!

Dress Code:

The Dress Code is in effect until October. When on the golf course or using the practice facilities, please make sure your attire fits the dress code. Appropriate clothing is golf clothing similar to the apparel sold in the Golf Shop. T-shirts, tank tops, halter tops, gym shorts, cargo shorts, and jeans are not considered appropriate clothing.
